News from the Illinois Department of Veterans Affairs ★ Volume 5, Issue 5 ★ May 2025

★ Message from IDVA Director Terry Prince

As we close out May and the somber ceremonies of Memorial Day, I recognize that this holiday holds a special meaning for the people of our country, especially within the community that IDVA is privileged to serve. In our military, men and women were often put in grave danger, and sadly, many of them paid the ultimate price. Memorial Day reminds us to remember those who gave their lives to ensure our freedom. Each flag that was waved, taps that were played, and salutes rendered on Memorial Day symbolized our deep gratitude. As always, the IDVA team was dispersed around the

state at parades and ceremonies. I was especially privileged to be in Rockford at the LZ Peace Memorial. It is a stunning tribute to the men and women from Winnebago County who gave the ultimate sacrifice during the Vietnam War.

IDVA honors the fallen by ensuring veterans and their families truly thrive in Illinois. We do this by providing quality care in our five Veterans Homes and independent living centers. IDVA Veteran Service Officers are deployed across the state to help them access federal, state, and local benefits while countless others receive support and assistance from the IDVA Headquarters team. You can easily see that we all play a role in serving our veterans and their families, especially those who have experienced the unfathomable loss of a loved one who died in the service of our nation.

It is often said that we honor the dead by treating the living well. This is precisely what we do at IDVA. When we care for a veteran in one of our Veterans Homes, guide a veteran through a transformative benefit, or ensure IDVA is running effectively; we honor the life of a fallen hero.

As we move into the summer months, the U.S. Army will soon celebrate its 250th birthday. We also look forward to seeing many of you across the state at the State Fairs in Springfield and DuQuoin, and other gatherings along the way. Be on the lookout for our Veteran Service Officers in your communities—they are eager to learn about your goals and your earned benefits can help you achieve them.

You can find your local VSO on our [website](#).

Sincerely,

Terry Prince, U.S. Navy Veteran and IDVA Director

★ ★ ★ ★ ★ Nurse's Week

The 2025 Nurses' Week theme, "Nurses Make the Difference," resonates with the veterans in our care in IDVA's five Veterans' Homes in Anna, Chicago, LaSalle, Manteno, and Quincy. They experience the difference through the compassionate and skilled care they receive from an amazing team of talented, dedicated nurses.

The education and training nurses go through is rigorous and prepares them for one of life's greatest callings. Without nurses, we could not deliver on our promise to care for veterans in gratitude for their service. Thank you to all IDVA nurses for serving those who served.

As the regular session for the Illinois General Assembly comes to an end, IDVA initiated and tracked significant legislation. Additionally, the team recently attended and supported U.S. Senator Duckworth's Veteran's Town Hall and the City of Chicago's Memorial Day Ceremony. Below is a list of significant legislation that is moving through the legislative process:

IDVA Initiatives

House Bill (HB) 2547 changes all references to the "Department of Veterans' Affairs" with "Department of Veterans Affairs." This legislation finalizes IDVA's rebranding project by officially removing the apostrophe from the agency's name. This aligns IDVA with the United States Department of Veterans Affairs (USDVA) and other Departments of Veterans Affairs in other states. The vote was unanimous in both the House and the Senate, and the bill now heads to the Governor's desk to be signed into law.

HB 2572 amends the School Code and the Deceased, Disabled and MIA/POW Veterans' Dependents Educational Opportunity Grant Act. It provides that the IDVA shall determine the eligibility of persons who apply for a Deceased, Disabled, and MIA/POW Veterans' Dependents Scholarship (a post-secondary education program) or a Deceased, Disabled, and MIA/POW Veterans' Dependents Educational Opportunity Grant Act by rule. The vote was unanimous in both the House and the Senate, and the bill now heads to the Governor's desk to be signed into law.

SB 2175 amends the Personnel Code to provide that State of Illinois (SOI) employees who are veterans shall be permitted four (4) days per year, in addition to standard sick leave, to attend medical appointments for the treatment or examination of a military service-connected condition. SOI employees who are veterans with service-connected conditions may use these days to receive medical care that is authorized by the United States Department of Veterans Affairs, at any type of health care provider or health care facility. Additionally, the bill fixes an existing error within the Personnel Code. The vote was unanimous in both the House and Senate, and the bill now heads to the Governor's desk to be signed into law.

Other military/veterans' initiatives

Senate Bill (SB) 1675 amends the wording of the Illinois Code of Military Justice for clarity. In the definition of "military offenses," it updates the proper names of the listed offenses. The vote was unanimous in both the House and the Senate, and the bill now heads to the Governor's desk to be signed into law.

HB 1362 amends the Service Member Employment and Reemployment Rights Act (ISERRA) in the following ways:

- It provides that "work days" are the actual number of shifts (as opposed to days) the employee would have worked during the period of military leave. It provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day.
- It amends the section titled "basic protections" to provide that a service member whose employment is interrupted by a period of active service can elect (upon request) to use accrued leave during that time; however, the employer cannot require this.
- It provides that orders in lieu of active training qualify for concurrent compensation for public employees. It goes on to specify that public employees may receive concurrent compensation for annual training and for orders in lieu of annual training in the same calendar year, so long as this time does not exceed 30 days in a calendar year.
- It provides that a public employee's right to differential compensation is terminated if the public employee is on voluntary orders for 365 consecutive days. Upon a return to work for more than 90 days, the public employee's right is reinstated.
- It clarifies the definition of "active service" and adds a definition for "orders in lieu of annual training."

This bill has an immediate effective date. This bill passed out of the House and was amended in the Senate. It has returned to the House, so that the House can concur with the Senate's changes.

★ ★ ★ ★ ★ News from the Capitol

SB 39 amends the Electric Vehicle Charging Act, specifically section 10 which is titled “Applicability.” It provides that the provisions of the Act do not apply to any tiny home for homeless veterans or veterans at risk of homelessness if the tiny home is constructed by a non-profit organization described in Section 501 (c) (3) or 501 (c) (19) of the Internal Revenue Code of 1986 that exclusively funds and administers “projects and services” for veterans. It provides that organizations constructing homes for these veteran populations must sign an affidavit stating that all buildings being constructed are for this population. It provides that counties and municipalities cannot adopt building codes or ordinances requiring EV-capable parking spaces for these particular homes. SB 39 defines “tiny home” and includes a definition for “veteran.” This bill has an immediate effective date. SB 39 passed out of the Senate and was amended in the House. It has returned to the Senate, so that the Senate can concur with the House’s changes.

★ ★ ★ ★ ★ IDVA Is Hiring

IDVA offers a wide range of opportunities for people motivated to serve those who served. In the five residential Veterans’ Homes, positions include VNACs, nurses, activities professionals, dietitians, cooks, engineers, physical therapists, and more. Veteran Service Officer positions are available across the state. Central Office hires human resources and fiscal professionals and other support staff. The State of Illinois offers extraordinary benefits, including schedule options. Attend one of IDVA’s virtual job fairs to learn more about the hiring process and important job search and interview skills. VETERANS AFFAIRS

★ ★ ★ ★ ★ 25 Women Veteran Leaders in 2025

The Illinois Department of Veterans Affairs Women Veterans Program will continue to celebrate its 25 Illinois Women Veterans Leaders of 2025, honored at the first annual luncheon held on March 31, 2025. IDVA, in partnership with the USDVA, received nominations from women veterans who demonstrated extraordinary leadership and support to the veteran community.

Stephanie Kifowit

Since 2013, State Representative Stephanie Kifowit has represented the 84th District, serving Aurora, Oswego, Naperville, and Montgomery communities. As the only female veteran and United States Marine in the General Assembly, she is

Chairperson of the Personnel & Pension Appropriations Committee, Vice-Chairperson of the Veterans' Affairs Committee, and a Committee Member of the General Service Appropriations Committee and Personnel and Pension Committee.

She served at Camp Pendleton, California, and Camp Foster, Okinawa, Japan. Her service culminated in an honorable discharge in 1994, accompanied by commendations including the Good Conduct Medal, Sea Service Deployment Ribbon, National Defense Service Medal, Rifle Marksman Badge, Two Meritorious Masts, Meritorious Unit Commendation, and Certificate of Commendation.

She earned a Bachelor of Science degree in Political Science and a master's in public administration from Northern Illinois University. Her commitment to public service extended to the City of Aurora, where she served as an Alderman for over nine years. Her son is serving in the Navy aboard the USS Ralph Johnson, stationed in Yokosuka, Japan.

Cassandra Taylor

Cassandra Taylor, U.S. Army veteran and Founder and CEO of veteran service organization Top Flight Defense, Inc., educates veterans on critical issues that shape daily life from wellness and reproductive health to mental health, financial literacy,

and homelessness. Cassandra recruits experts to foster dialogue and deliver impactful education. She is a published author and has shared her experiences and insights in *Why I Serve*, co-author of "When a Woman's Fed Up." She volunteers with K9 For Veterans, is a member of the National Association of Black Military Women, and proudly represents Delta Sigma Theta Sorority, Inc. Since 2019, she has resided in Joliet, IL, where she continues to inspire and advocate for service members, veterans, and women leaders.

Cassandra served in the Gulf War, Operation Desert Storm/Desert Shield, and Operation Enduring Freedom/Iraqi Freedom. She continues to lead with compassion and purpose, building stronger, healthier communities wherever she serves.

Our mission at the IDVA is very simple. To serve those who have served. In doing so, we serve not only the men and women who have worn the uniform, but also their families. It is our privilege to be able to help our veterans receive the benefits they have earned through service to our nation. Our goal is to empower our veterans and their families to thrive in all aspects of their lives.

We know there are many veterans within our great state who do not require any assistance – but we still want to encourage you to “Stand Up and Be Counted!” by registering with your local VSO. In doing so, you’re helping IDVA to do a better job of planning for services, seeking federal funding and understanding the needs of our veteran communities statewide. [Click here to register.](#)

We thank you for your service and for your sacrifice and we at the IDVA look forward to offering our services to you.
