News from the Illinois Department of Veterans Affairs ★ Volume 5, Issue 11 ★ November 2025

★ Message from IDVA Director Terry Prince

The Illinois Department of Veterans Affairs team deployed across the state to participate in ceremonies, programs, and events to commemorate Veterans Day 2025. Every corner of the state was covered, including Decatur, Springfield, Woodstock, DuPage, Chicago, and everywhere in between. Speeches were delivered, interviews conducted, and ceremonies were held. IDVA ensured that veterans across the state felt respected, honored, and celebrated. We also seized the opportunity to share with

veterans the services IDVA provides while also listening to their concerns and helping them navigate the VA claims and benefits process.

December 1st, we are launching our fourth annual Operation Rising Spirit, a campaign to recruit volunteers to serve at IDVA's five Veterans' Homes in Anna, Chicago, LaSalle, Manteno, and Quincy. Volunteers make a profound impact on the veterans in our care. Their service allows us to enhance our already robust events and activities schedule. Crafts and woodwork are created with the guidance of volunteers, while other veterans and volunteers are catching fish. Volunteers also help provide religious services, transportation to appointments, and specialized gardening skills. The bonds built between volunteers and the veterans is remarkable and long-lasting. Please consider volunteering at one of IDVA's Veterans' Homes. It promises to be a rewarding experience. For more information, please view this [short video](#).

Wishing you and your family a very Happy Thanksgiving.

Sincerely,

Terry Prince, U.S. Navy Veteran and IDVA Director
